● If in doubt, send a picture in of a model to a T.O in advance to ask if it is acceptable (Pictures must be submitted for approval).

● Paint judging is done via judge scoring.

-If you are using any 3D printed models or third-party miniatures as "count as" substitutes for Games Workshop miniatures, you must get in contact with the Tournament Organizer and send pictures of the 3D printed/Stand ins that you wish to use and gain approval to do so. If this is not done, then the Tournament Organisers will make a decision on the models on the day of the tournament, and you run the risk of not being able to play that model/models on the weekend.

-If you are unsure of any conversions as well, please get in contact with the T.O's, best to be safe than sorry.

-All Miniatures in your army MUST BE FULLY ASSEMBLED
